RESEARCH & DEVELOPMENT CELL

Avanthi Institute of Pharmaceutical Sciences has established important scientific industrial R&D operations with the purpose and mission of pursuing and promoting research in frontier technologies as well as various pharmaceutical disciplines. AIPS created a Research and Development cell to instill research and innovation talents in staff and students R&D Cell provides a platform for young brains in the institute to grow in terms of creativity and invention. Only rigorous R&D efforts will result in innovative achievements.

In our college, we encourage student clubs as they allow students to explore their ideas and develop their abilities, and prepare them for life. Student groups provide a forum for the exchange of novel ideas and perspectives. It aids in the transformation and overall development of students. The clubs are specifically designed to assist students in becoming involved and finding their own space on campus.

Meeting Outcomes:

- All the Faculty members and HoDs discussed about their 2022-23 academic year contributions of faculty and students and then it is was concluded that overall R&D publications so far is 23, patents were 05, conferences attended were 15, extension activities are 1. The number of project proposals submitted is 2 Number of Conference proposals are 1 and workshop proposals 1. So, Principal expressed his worries about the No. of publications so far is less and No. of R&D activities also very less. So all the HoDs are asked to concentrate on publications and Research Activities.
- It is discussed to initiate open seminar presentation on various domain specializations for knowledge transfer among research clusters and all the HoDs are asked to submit the open presentation Schedule of their department on or before 24.05.2024.
- It is decided to conduct one conference in a year per department and decided to apply for funding with minimum 5 Lakhs for next AY 2023-2024 and all the HoDs are asked to submit the R&D Report every month.
- R&D activity policy formulation will be defined based the strategic plan, proposed activities and will be implemented said by principal and all the research terminology will incorporated and presented in the progressive meeting.
- Doctoral faculty members are asked to find nearby industries in their field of interest to do the consultancy work and are asked to submit the industry name to R&D cell on or before 25.5.2024

The Principal has insisted to all the members to cope up all the students to actively take part in club activities and to take necessary action plans in beneficial to the students.

Finally ensured all the agenda points and meeting was closed with mutual wishes and also decided to have a review meeting once for every 2 weeks.
