

RESEARCH & DEVELOPMENT CELL

Avanthi Institute of Pharmaceutical Sciences has established important scientific industrial R&D operations with the purpose and mission of pursuing and promoting research in frontier technologies as well as various pharmaceutical disciplines.

AIPS created a Research and Development cell to instill research and innovation talents in staff and students. R&D Cell provides a platform for young brains in the Institute to grow in terms of creativity and invention. Only rigorous R&D efforts will result in innovative achievements.

In our college, we encourage student clubs as they allow students to explore their ideas, develop their abilities, and prepare them for life. Student groups provide a forum for the exchange of novel ideas and perspectives. It aids in the transformation and overall development of students. The clubs are specifically designed to assist students in becoming involved and finding their own space on campus.
